The Idaho Unit along with Region IV of Mennonite Disaster Service is planning to build 3 houses in the Kamiah, Idaho area beginning Monday July 11th. We are looking to engage as many volunteers from Region IV as we can. These were homes destroyed in the August 2015 fires. Kamiah is a small community about 60 miles east of Lewiston, Idaho along the Clearwater River. There are separate housing facilities with separate showers for both women and men, and will provide cots for sleeping, and as with a normal Mennonite Disaster Service Project supply all of the meals. It is expected that the project will be finished by sometime in October or earlier.

Please contact Clyde Hockman if you have interest in serving. For more information about the project or for scheduling, contact John Eshleman at region4@mds.mennonite.net or 909-630-3660.

Thank you so much for your congregation's recent gift of \$7,825 to Mennonite Church USA, including \$1,173.75 to the Executive Board. These funds help support the Executive Board's staff in carrying out the seven priorities of the Purposeful Plan. We are grateful for this expression of your commitment to working together. May you find the goodness of God active wherever you look—in the splendor of creation and the beauty of human life.

—Randy Miller, MC USA
