The Peace and Justice small group will be going to the Medical Teams International Real Life Exhibit on Sunday, January 21 from 4-5pm. We encourage anyone to join us. The hands-on, self-guided exhibit encourages us to step into the lives and homes of people affected by disaster, conflict and poverty around the world. The Real Life Exhibit is located at 14150 SW Milton Court, Tigard. To learn more about the exhibit you can go to the MTI website at: www.medicalteams.org. If you have any questions, please talk with Andy Coulombe.

The Goshen College Men's Choir will make a tour stop at Zion on Sunday, February 25 for an evening concert and overnight home stay. The Choir is touring with their Director, Dr. Scott Hochstetler, who is a former teacher at Western Mennonite School, and also the college's new President, Dr. Rebecca Stoltzfus. Approximately 55 students and college personnel will be traveling together, including Harrison Gingerich who is a member of the Choir. Please mark your calendar for the concert date and consider hosting students to your home. Watch for bulletin announcements with more details coming soon.

Bridging Cultures is looking for volunteers to help tutor during our ESL classes this term! This is a great opportunity to meet some of your neighbors in Canby and help them improve their English. We have class on Monday and Wednesday evenings from 6:00-8:00pm at Baker Prairie Middle School. You can choose to volunteer one day a week or for both sessions. Winter term starts on January 8 and goes until March 21. Tutors are in the classroom with instructors from Clackamas Community College and assist with class activities. If you are interested, please contact Karie Smucker kmsmucker@gmail.com.

Are you interested in nature, creation care, stewardship of the environment, environmental education or just interested in supporting Drift Creek Camp? Then the Drift Creek Nature Center needs you!

The Drift Creek Nature Center's Mission statement is to develop awareness, appreciation and stewardship of Creation through education, exploration and interaction with nature. The Drift Creek Nature center is re-forming and would like to include new members in this important time. In the past the Nature Center has supported DCC by finding camp naturalists to assist during summer camp, gathered biological fact sheets to inform visitors of the plants and animals around Drift Creek, and created lesson plans to coach and give to counselors as summer camp resources.

If this sounds like something you would like to be a part of we invite you to join us at DCC Saturday, January 27 for noon lunch followed by an afternoon hike. Can't join us then? We will be hosting a casual sit down meeting in the Salem area in late February. Give us your name and e-mail address and we will send you all the info. Please RSVP to the lunch and hike so we can get a count for meals. To RSVP or if you have any questions contact Karen Tieszen at 541-619-7799 or Karen.Tieszen@gmail.com

Please keep in your prayers:

- Sheryl Gingerich, as she recovers from shoulder surgery this past Friday, January 12.
- Jana and Craig Gingerich, as Jana has begun her sabbatical for the next three months. A candle burning in worship today reminds us of her part in this congregation even while she is away.
- Steve Masingila and his family, as he prepares for a trip with Mennonite Economic Development Association to Kenya and Tanzania. He leaves this Wednesday, January 17.
- On Rev. Martin Luther King Jr. Day, remember how he called the church to be the “conscience of the state.” Pray that each of us may use our voice to speak God’s truth to those in power on behalf of those in our world who suffer injustice. (Mennonite Mission Network)

A prayer to carry through the week: *“Jesus, I want to be on your right or your left side, not for any selfish reason. I want to be on your right side or your left side, not in terms of some political kingdom or ambition. But I want just to be there in love and in justice and in truth and in commitment to others, so we can make of this old world a new world.”* Dr. Martin Luther King, Jr.
