**We continue our study of the book of Philippians entitled "A Joy Perspective".** The apostle Paul uses these two words, "Grace and Peace", in his greetings to all the churches to whom he wrote: Grace and Peace are like packages or treasures of God's daily presence in our lives. We possess these treasures because Christ lives in us. Happiness cannot depend on circumstances. Paul's letters were written to strengthen believers – to show them that true joy comes from Jesus alone. We will be using Philippians 2:1-11 as our theme verses for this study.

Dear friends at Zion:

Thank you for your prayers, cards, and thoughts of love and concern for our family. We appreciate them all very much. The hydrangea plant is beautiful. It will remind me of the warm memories of times spent at Zion. Special thanks to Jana, Steve, and Doug for their help in making our family time at Zion special last Saturday.

Blessings, Marilyn and the VanPelt Family

### **In prayer:**

Even as the world turns, it seems the world has stood still in the shock of the pandemic. Lord, hold all in your hand and love what you have created.

We remember those isolated from family and struggling with health issues. May God bring healing and comfort.

We celebrate and congratulate all of our students who have adjusted to virtual learning for the past few months and completed this school year.

Our consolation and prayers of comfort for families experiencing the loss of loved ones during these troubling times.

We pray for the tragic racial injustices across our nation. May God help us shine a light on the immorality of racial discrimination. We long for a world of peace and equality for all, and future generations

**A prayer to carry though the week:** *I" pray because I can't help myself. I pray because I am helpless. I pray because the need flows out of me all the time – waking and sleeping. It does not change God. It changes me."* C.S. Lewis
