## Healthy Congregations with Bill Blank

In consideration of this important work and our desire to get the most benefit we have decided to postpone the October start date with hopes of gathering together sometime in the new year. While frustrating, we hope you continue to join us in prayer for this upcoming process and that the Spirit of God would guide us as a congregation.

**Time for an Update!** A new church directory and phone list will be coming soon. If you have changed any of your contact information (address, email, phone numbers) in the past months, please let the Church Office know.

**PNMC:** Zion is allowed four Conference delegates and two alternates to the Pacific Northwest Mennonite Conference Annual Meeting which typically takes place in June. Contact the church office if you're interested in becoming a delegate for 2022 and 2023. Couples are welcome.

**HEY KIDS:** Does God love you? How do you know? Well, I imagine your parents or grandparents have told you so. The Bible tells you so. But do YOU know? Take a quiet minute and listen with your heart! I love the little ways God shows me love. It might be a bright pink flower on a gray day. Kind words from a friend or stranger. The warmth of the sun on my face. The way my fingers work to hold a pencil. Pastor Steve and his wife Anne recently

bought a new house and it came with chickens. Ask her why that made a difference to her! That story really blessed me! Your friends and family don't know these stories unless you tell them, so BE BOLD and share! Read 1 Corinthians 1:9. God loves

EACH one of us, and it's our job to let people know that. We love you too!  
—Love, Stacy and Karen

## MCC SALE:

### Important COVID update to this year's MCC Sale:

Unfortunately, due to the recent increase in hospitalizations due to the Coronavirus Delta variant, we have reversed our decision to hold an indoor event. Drawing on our experience and memory of the 2020 festival, the board remains enthusiastic about hosting another socially distanced event to raise money for MCC's work around the world.

- We are bringing back the popular, nail-biting **online auction experience October 2-7!** Visit our website for more details and a guide on what you can donate this year or email Stan at [oyer@canby.com](mailto:oyer@canby.com).
- Pre-order homemade food, dessert, apple cider, and more online or with Annie (541) 619-6011 by **September 17**.
- Pick up your auction items and edible goodies on **October 9**. Location TBD.
- Even if COVID numbers return to "safe" levels, we will not have an indoor event.
- Regardless of where this event takes place, we always need vaccinated volunteers to help us out with cooking, set-up, and tear-down. Fill out a form on our website or let your board rep know.

For the latest updates, sign up for our e-newsletter on our \*NEW\* website [www.oregonmccsale.org](http://www.oregonmccsale.org).

## MCC: My Coins Count!

Coins add up. Each year, spare change collected by churches, children and families add up to more than \$600,000 for MCC's work around the world.

Bring your spare change, dollars, and checks to put in the My Coins Count bucket, located on the table in the foyer near the offering.

Visit MCC online for more information and a video: <https://mcc.org/get-involved/my-coins-count>

## MCC: School Kits

Notebooks and pencils are treasures for families who struggle to afford basic school supplies. School kits often are requested after disasters and help bring normalcy to children whose families have been forced to flee their homes. For the month of September, you are invited to bring school kit supplies to drop off in the foyer. You don't need to put them in individual bags, but can group your entire donation together in one bag or box. More information and related videos can be found here: <https://mcc.org/get-involved/kits/school>

### Contents (NEW items only)

4 spiral or perforated-pages notebooks (8.5 in x 10.5in, 70 sheets)  
8 new unsharpened pencils  
1 ruler (flat, good quality; must indicate 30 cm; inch markings optional)  
12 colored pencils (in packaging)  
1 large eraser  
2 new black or blue ballpoint pens  
1 small **all metal** pencil sharpener, one or two holes  
All metal sharpeners can be found online at Amazon.com or Bazic.com or in the art supply section of retail stores like Staples. Plastic case pencil sharpeners are not accepted because these are poor quality and do not last as long. If you cannot find all metal sharpeners please pack the kits without them and the sharpeners will be added.
