Scrap Wood Donations Needed for DCC: This summer I am working at Drift Creek Camp as Program Director. For the Parent and Me campers, we are trying to make building toolboxes one of the activities. We are looking for donations of scrap wood, either plywood (1/2 inch or 3/4 inch) or 1 inch material with a 6 inch or greater width. You can email or call me at gingy3662@gmail.com or 503-509-5168 if you have any wood you are willing to donate. Thank you!

MDS Update:

In cooperation with the Clackamas County Long-Term Recovery Group, we finished our commitment to the second house build near Scott's Mills in response to the 2021 Oregon wildfires. We started on May 11th and finished June 3rd, 2022. Volunteers installed flooring and completed indoor trim work. Cabinets were purchased by MDS Oregon Unit. Thank you for your volunteer efforts, prayers, and financial support to make it possible to bring our wildfire survivor family back home.

Wendy and John Colvin will be meeting with the Santiam Canyon LTRG, Marion/Linn Co. concerning a complete home build in the canyon.

A beautiful potted plant arrangement graces our front porch, a reminder of the love and prayers offered on my behalf by the Zion Church Family. Thank you, Zion, for loving enough to pray!

Dear Zion Family:

We have loved being a part of the congregation over these last years, and have missed you all during the pandemic! After prayerful consideration, we have decided to make a move back toward our Pennsylvania and New York families, and I will be leaving my role at George Fox next week to take a position directing the School of Art at Kent State University, in Kent Ohio. After 8 years in Oregon, we will sorely miss all the wonderful people who have been blessings on our lives, so many of whom are numbered among you all. Thank you for sharing your ideas, voices, and teaching with us. We would appreciate your prayers for a smooth transition for our family.

Grace and Peace
