I want to thank Zion for the gift, meals, cards, hugs, prayers, offers of childcare, and encouraging words during the final weeks of my Dad's life. I am so thankful to be part of the Zion family.

High risk prostate cancer is a long journey and navigating it during Covid-19 brings unique risks, requiring a heap of patience. We are rejoicing today because Clyde has completed his required 44 radiation treatments without interruption. While side effects still keep him close to home, we hope that will steadily improve within the next several weeks.

We thank our Zion family for expressions of love and concern shown by gifts of a plant and filberts, cards, and telephone calls. Due to the length of our time away, telephone calls are especially appreciated and help keep us in touch with our church family.

—Clyde and Carolyn Hockman

In Prayer:

We are grateful for Stan Oyer and pastor Steve Bomar representing Zion last weekend at the MCUSA Special Delegate Session. Pray for clarity in what God calls us for in our congregation, our conference, and our denomination as we process together the results of the resolutions.

Pray for students, teachers and families as they wrap up the school year and look forward to summer break. Remember especially our graduates as they celebrate accomplishments. May God guide them with wisdom and insight on their new endeavors.

Continue to pray for God's peaceful intervention to the violence, pain, and fear experienced in our world.
