Potluck and Congregational Conversation Sunday, November 13

Following the potluck, our meeting is planned to start at 12:15pm and finish at 3:15pm. We have specifically sought a meeting facilitator who can foster an atmosphere of respectful dialogue while leading us through various small and large group sharing opportunities. We do not expect everyone at this meeting to agree but rather want to intentionally provide an opportunity for our diversity of perspectives to be both shared and heard. We understand this is not easy work which makes your attendance and participation in this congregational conversation so important.
