

The Ministry of Listening

Think of a time when you really felt cared for. Chances are someone focused on what you had to say, was attentive to your needs, and listened to how you felt instead of telling you how you should feel or what you should do. Listening is one of the more powerful ministry tools at your disposal. It

demonstrates that you care about the other person. Our Stephen Ministry trainees are practicing and applying listening skills this week, because of their importance as caregiving tools.. Pray for this ministry and those in training, Ken Beachy, Julie Yoder, and Jodi Hansen. Give thanks for our active Stephen Ministers, Carolyn Yoder, Karen Kropf, Luanne Berkey and Chris Keady.

In Prayer:

Pray for Richard and Karen Kropf who will be serving with SOOP (an outreach program of Mennonite Mission Network) in Phoenix, AZ. Their opportunities include a variety of assignments each day. May they be blessed by serving and be a blessing to those they meet and serve.

Pray for those affected by the devastating earthquakes in Turkey and Syria: May first-responders working around the clock have energy and strength to reach those needing rescue; may there be treatment capacity and resources for those injured; comfort for those who have lost or are missing loved ones; and may relief workers and resources quickly reach those areas where provisions such as food, water, shelter, and winter essentials are needed most.

Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me" (Matthew 25:40)
