

Thank you to all those who show care, encouragement, prayers and comfort to others. A caring ministry is the responsibility of all members of our faith community. "As I have loved you, so you must love one another" (John 13:34). We value the ministry of Stephen Ministry that is centered on Christ, bringing hope, servanthood, confession, forgiveness, scripture and prayer to one-on-one relationships. We are grateful for our Stephen Ministers (Carolyn Yoder, Karen Kropf, Luanne Berkey and Chris Keady) and those in training for Stephen Ministry (Ken Beachy, Julie Yoder and Jodi Hansen). If you have interest, questions, or want more information on Stephen Ministry contact Pastor Jana (503-577-9789)

In Prayer:

Lord, thank you for those who care, support, and sustain us with their love and kindness. We appreciate the gifts of many in our congregation who serve as Your hands and feet: for our Good Cheer Committee who make visits; for our Sunday School classes and teachers; for those who support the ministries with which Zion partners; and for all who live, work, and serve in our community. Make us alert to each other's needs and quick to strengthen and encourage one another. Thank you for the people who make up the fabric of our family and church life.

And Lord, we pray for our world where people struggle to live justly, especially those who daily experience war and oppression. May Your peace come and prevail.

2 Cor 13:11— Finally, brothers and sisters, rejoice! Strive for full restoration, encourage one another, be of one mind, live in peace. And the God of love and peace will be with you.

The Outdoor Space Task Force Committee has been meeting and is looking at options for installation of solar panels. We are considering ground installation of the panels or construction of an outdoor multi-use structure where the panels would be placed on the roof. If you have questions about these exciting possibilities please talk to one of the people on the committee. Kelly Yoder, Serenity Coulombe, Charlie Gingerich, Steve Masingila, Frank Howard, or Carolyn Yoder who is now chairing the committee.
