

As we look at Jesus' suffering, death, and resurrection, we observe the ultimate example of compassion. He now calls us to follow his example and to be deeply concerned for one another. Stephen Ministry is a ministry filled with compassion. It provides compassionate Christians with a place where they can use those gifts in ministry as a Stephen Minister. It also provides a haven where those in need of compassion can receive it in a confidential relationship with a Stephen Minister. If you would like to know more about this kind of care, contact Pastor Jana, (503-577-9789).

In Prayer:

Tom Brenneman will be having surgery on Tuesday to remove one kidney. May every feeling of anxiety or fear be calmed, may the doctors work with wisdom and precision, may he be protected from complications, and may he remain hopeful through his recovery process.

Pray for the family of Donnie Roth who passed this week: his wife Bonnie, daughters Lynette Willig, Sheryl Mast, and Karlene MacGregor, and son Jerry Roth and their families. May God's peace and comfort surround them. A memorial service will be scheduled later this summer.

A Mennonite World Conference church in an African country is not recognized by the government and thus operates in difficult circumstances. A pastor from this member church had died at home after a long imprisonment and the family was not given permission to bury their loved one. We do not know the hardships our brothers and sisters face daily as they follow Jesus with hope and faith, yet we know that we are one Body of Christ. In their struggle, we lift up our prayers for all Anabaptist-Mennonite Christians who are in danger for their faith. (Mennonite World Conference)

To my Zion Family,
Thank you for the beautiful flowers, vase, and card. I appreciate all the prayers and well wishes. It was also nice to visit with the ladies who drove to Newberg: Kay Fisher, Karen Kropf, and Carolyn Newschwander. Recently I've also had two cataract surgeries and it is wonderful how bright and crisp everything looks now. Looking forward to better health and getting back to normal.
