

Hubbard Community Visioning Survey

The city of Hubbard is leading a Community Visioning project to learn about your hopes, values, and aspirations for Hubbard's future. Your insights will be used to shape a Hubbard Community action plan. Paper surveys and QR codes for an online survey are available in the foyer. Paper surveys can be returned to the church office, City Hall, or the Hubbard post office.

In Prayer:

A Blessing For This New Year, 2024:

May the single, most significant dimension of life be your relationship with the source of Goodness, who never ceases to sing love songs to your soul.

May you find meaning, purpose and vitality in what you do daily.

May you treasure your loved ones and let them know how dear they are to you.

May you live in an uncluttered manner, enjoying the freedom to be content.

May you find adventure in each new day and marvel at the wonders of creation which constantly present themselves to you.

May you carry peace within yourself, allowing it to slip into the hearts of others.
