In Prayer:

Pray for health and healing for those in our congregation who have on-going health concerns; for those with seasonal sicknesses; for those recovering from surgeries and medical procedures; and for those needing physical, spiritual, emotional, or mental rest.

Guide us, O God, make us willing. Make us wide-eyed for beauty and for our neighbor's need; wide-willed for peace-making and compassion; wide-hearted for love and for the unloved. Dull the envy in us that criticizes and complains life into a thousand ugly bits. Keep us honest and tender enough to heal and tough enough to be healed. Match our appetites for privilege with the stomach for commitment that we may increasingly be like the One whom we call Lord. Amen.
