We want to thank you for the beautiful flower arrangement and delightful visit with Carolyn Neuschwander on March 27. Adrian had a successful aortic heart valve procedure and came home the next day.

In Prayer:

Lord, we praise you for your steadfast and powerful love shown through the life, death, and resurrection of Jesus Christ! We pause and confess that too often we minimize and diminish Your love with our misdeeds, worry, and stubbornness. Forgive us Lord, and grant your mercy on us.

We pray for the work of MEDA, whose vision is that all people may unleash their God-given potential to earn a livelihood, provide for families, and enrich communities through entrepreneurship as a powerful way to alleviate poverty.

We pray for healing, renewal, and restorative strength for those who have had recent health concerns.

We give thanks for the many people in our congregation who share their time, talents, and hard work for Zion!
