

Dylan Bomar—Baseball Game
Tue. May 14, 6PM, NMHS JV Baseball Field

In Prayer:

Pray for the family of Florence Regier who died peacefully on Saturday, May 4 surrounded by loved ones. She did not want a funeral, so the family asks that in her memory you donate to a favorite charity, read a book (and donate it to a tiny free library), go on a “coddlywomple”, and tell someone you love them.

Pray for Daphne Kropf and her friends Halie and Karina who are serving with Servants at House of Hope in Jakarta, Indonesia. An update from Daphne was sent in this week’s church email. Check there for more updates each week.

A Prayer for Mother’s Day:

O God of Love, on this beautiful Mother’s Day morning we come to you celebrating the gift of family. We see your glory and your wisdom in the diversity of that gift—a diversity that has always existed. We pray for small families like Elizabeth and Zechariah and their precious only son, John, and for large families like Jacob’s, with his twelve sons. We ask your blessing on multigenerational families like Timothy’s, whose mother and grandmother raised him in the faith. Bless single person families like Mary and Martha and their brother Lazarus. We pray especially for broken families like King David’s. And for those like Ruth and Naomi who came through the pain of loss to establish new family ties. We see in your Holy Word and in our unholy world all kinds of families with every sort of challenge, joy, failure, and pain. You haven’t given up on families, Lord, so help us to support them in all their shapes and situations. For You are love, and when we love, we are like You. —By Linda LeBron on liturgylink
