An array of colorful flowers reminds me of the love and caring of God's people at Zion. I'm grateful! Special thanks to Good Cheer deliverers Kay Fisher and Carolyn Neuschwander.

## In Prayer:

Lord, You are the Great Healer. We value our good health and we lift all those in our congregation who have health concerns; those who are recovering from surgeries and medical procedures; those with long-term and on going health limitations; and those needing physical, spiritual, emotional, or mental rest.

Prayers for continued peace and strength are requested for Florence Regier and her family. Florence has entered into Hospice care with congestive heart failure. She sends you her love and gratitude for so many wonderful Zion friendships and cherished memories. Your cards and letters of love and support would be most welcome.
