

To our church family: Thank you for your many acts of kindness, cards, flowers, texts, visits, rides to the hospital, caring words and prayers during Craig's surgery and our time at the hospital. You have held the Christ light for us in the midst of unknowns and fear. You have shared words of God's peace, love and comfort. We are blessed to be a part of this caring community. The cancer was removed with clear margins. Recovery is slow and steady. We love you! —Craig and Jana

In Prayer:

Continue to pray for those in our congregation who are facing significant health issues, including difficult treatments, surgery, hospitalization, recovery, or extended care. *Those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint. Is. 40:31*

Pray for the 5th-6th Grade camp at Drift Creek Camp this week. This is the last week of camp—pray for it to be an especially fun, memorable, and inspiring week for staff, volunteers, and campers.
