

All are invited to a gathering in honor of Florence Regier who died on May 4th. Florence didn't want a formal service so this will simply be a time to be together to share stories, memories and lots of laughter...which is just what she wanted. Please come anytime on Saturday, August 10, 2—5PM at the home of Florence's daughter, Chris and her husband Mike Fordyce. 1710 Hazelnut Lane, Salem

My Dear Zion Family,  
Thank you for your kind expressions of sympathy and love you have given us during this difficult time of Tom's passing. It is beyond measure. It is deeply appreciated.  
—Dorothy Brenneman and Family

### In Prayer:

Euclides Bauza, pastor and president of a conference of Mennonite churches in Venezuela requests brothers and sisters around the world to join the people of Venezuela in praying for justice and an end to the violence in the wake of last Sunday's disputed election. President Nicolas Maduro was declared the winner despite many irregularities and as a result, the streets are filled with demonstrators. At least 16 people have died, hundreds injured, and close to 800 arrested. (Mennonite Mission Network)

A huge thank you to John Garber and all those who helped install the metal and put up insulation and plywood on the solar pavilion last Saturday! Other than landscaping and painting the plywood, the structure is finished. We are also brainstorming ideas about different types of artwork that could add an artistic touch to the structure. The solar panels are producing energy; not only helping the environment but also reducing our PGE bill. We will have more detailed information about energy production and usage to share with you soon.
