
In Prayer:

May we always walk gently upon the Earth,
in right relationship,
nurtured by your love,
open to the wind of the Spirit,
taking only what we need,
always open to the needs of others,
making choices that bring wellbeing,
living with generosity,
striving for justice,
honoring all with reverence,
reconciling and peacemaking,
mindful of those who will come after,
recognizing our proper place as part of your creation.

Solar Oregon is highlighting the work that Zion has been doing in regard to our solar project. Solar Oregon is a non-profit organization that promotes all aspects of solar power use. They asked if they could feature us in a "showcase", since as a faith based organization we are not a typical solar installation. This is a great opportunity for us to share our belief in stewardship of the land and resources for which God has given us the responsibility of caring for. **The Solar Oregon Showcase will be September 19th from 6-7pm on Zoom.** Everyone is invited to attend. A link for the event has been sent by email, or you can contact the Church Office to receive it.

The link gives you the impression that there is a cost but there is not. Kevin Hockman-Chupp will be the speaker for Zion that evening. If you have any questions please contact Kevin or Carolyn Yoder.
