## In Prayer:

Continued prayers for those needing healing, whether physically, mentally, emotionally or spiritually. Specifically, remember Lois Yoder, who's recovering from foot surgery. May God give them strength, courage and hope for better days.

Lord, you invite us into faithfulness through our everyday acts of discipleship. Empower our faithfulness as we navigate significant national and international events and daily life here in our home communities. Thank you for the ways you have gifted Jodi Hansen and for her many contributions to the Zion Church family. May her beginnings at Rock of Ages go smoothly and may our work during this transition lead to further service and faithfulness in our community.
