
In Prayer:

Lord, when you prayed, “let us be one” this did not mean we would be uniform in how we think, but that we would be united in how we love each other. So help us to display patience, kindness, humility, perseverance, forgiveness, and endurance with each other. These are some of the attributes that define love, and when we love this way, the world will know that we are your disciples.

-Clarence L. Haynes Jr.

Continue to pray for those in our congregation who are facing significant health issues, including difficult treatments, surgery, hospitalization, recovery, or extended care.

Those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint. Is. 40:31
