

## WORDS OF Gratitude

A special thanks to the Bel Canto Choir, Music Professor Ken Rodgers, and Director Dr. Russell Adrian, for sharing the gift of storytelling and worship through music here at Zion. May you be blessed in your travel and ministry as you have blessed us this weekend.

Thank you to all the volunteers who spent multiple days cleaning up our cemetery, taking the time to pressure wash headstones to create a tidy resting place for those departed. Both Zion, and the family and friends of the deceased, sincerely appreciate your care of the grounds.

### In Prayer:

We pray for those leaders of our communities, our church, our country and our world, that they may make decisions that are in accord with God's commandments that bring life, justice and peace.

For those who have died by actions of violence, that they may be raised with Christ who died for them and that they may know the unending life and glory of the kingdom of peace and light.

For those who have survived violence, that they will be sheltered in compassion of God and our community and that, feeling the compassion of Jesus, they may find healing and hope.

For those who commit acts of violence against others, that their hearts may be moved by Christ's grace, and that they may be transformed by the Spirit of love.

For ourselves, that we will work together to end violence and bring life, peace and security to our world. Amen.

### DRIFT CREEK'S SUMMER CAMP—STARTING JUNE 13

Summer break is right around the corner, and Drift Creek is working hard to solidify their final counts. Programs are offered for all children who have finished K-12 grades, and are designed to “foster wonder, nurture relationships, build community, and be a place where youth feel supported in their journey towards faith...”. If you have yet to register your child for this special experience, please do so today at [driftcreek.org](http://driftcreek.org).

There are also multiple opportunities to help at DCC, starting with a clean-up day Friday, August 8. Kitchen volunteers are needed various weekends in September, October and November, and paid, full-time positions for 2-3 caretakers are needed come fall. ## GIVING OPPORTUNITIES

### VECINOS UPDATE

Vecinos is part of Zion's Mission and Service Commission, and during the past few months, we have hosted events here at Zion and at Chemeketa Community College. Our most recent meal event was on April 26 at a farm in our community. More of these meals are in the works at various locations in the Hubbard/Aurora area, with the next one taking place on Saturday, June 7.

Many thanks to all of those who volunteer their time (and elbow grease) to support this mission. It takes a village to host and engage with our neighbors. Now, Vecinos is asking for your financial support, which enables us to purchase food, plates, utensils, tents, tables, chairs, pots, pans, etc., that make these events possible.

Financial contributions can be made through Zion; see details below. If you have questions, please contact Charlie Gingerich or Steve Masingila.

### FUNDS NEEDED TO REPLACE SANCTUARY ROOF

The roof on the sanctuary building needs to be replaced, as the current shake roof was installed in 1999 and is now in disrepair. The estimated cost for a new roof is approximately \$55,000. During the Spring Congregational Business Meeting, approval was given to begin fundraising immediately in hopes of replacing the roof before next winter. If you have questions, please contact Stan Oyer or Clark Yoder.

#### Contributions to support either of these needs can be made by:

- ◆ Check - written to *Zion Mennonite Church* with “Vecinos” or “new roof” designated in the memo line
- ◆ Cash - with a note stating “Vecinos” or “new roof” attached
- ◆ online at <https://zionmennoniteoregon.org/GIVE> or by scanning the QR code

Any and all contributions are appreciated. Thank you!
