

In Prayer:

A little prayer from Kate Bowler (bestselling author, award-winning podcast host, and professor at Duke University.) to help us practice inter-dependence this week (and all the weeks): May we all risk being known, practicing intimacy with the way we listen and share and ask each other questions (even when we might not like the answers). May we learn how to love when it makes no sense, and be loved when our humanity feels like a liability. May we find ourselves reminded that we belong to one another. Neighbors. Strangers. Friends. All wrapped up together in this web of beautiful, terrible inter-dependence. Amen.

*Please be in prayer for Jenna Oyer and Steve Bomar who are serving as Zion delegates this week at MC USA Convention in North Carolina.
