In Prayer:

*"While the earth remains, seedtime and harvest,
cold and heat, summer and winter, day and night, shall not cease"*
Genesis 8:22

Dear Lord, thank you for the seasons we can count on, find routine in, and that will never cease while the earth remains. As we enter into autumn, when the cooler winds drift in and the days grow shorter, draw us closer to you. Let us feel your warm and loving presence. May we find comfort in your consistency when the world around us seems to be constantly changing. We are grateful you are with us in all circumstances and seasons. Amen.

ANNOUNCEMENTS

NEW OPTION FOR CHILDREN IN GRADES K-5 DURING THE WORSHIP SERVICE

Today, after Children's Time, guardians will have the option to escort their K-5th grade kids to the gym for a period of supervised playtime for the remainder of the Worship Service. They can then be picked up from the gym at the conclusion of the service. Taking advantage of this is completely optional and up to the discretion of each individual family. In the coming months, we will consider how this arrangement is serving Zion's families. **The Nursery will operate as usual, and is available for Pre-K and younger children.** Feel free to reach out to Karie Smucker with any questions.

READING MENTORS VOLUNTEER OPPORTUNITY

Did you know that there is a strong, positive relationship between childhood literacy and physical and mental health outcomes in adulthood, not to mention that these children are more likely to achieve future academic success regardless of their parents' background? If you are interested in helping to make a difference in the lives of our local children, consider becoming a Reading Mentor. For 1 hour each week, you will be paired with students who need some extra support in this area. Substitutes are also needed, and allow for a more flexible schedule. For more information, and to explore other volunteer opportunities, please visit:
