

## In Prayer:

The following prayer request was sent out this last week through the Mennonite World Conference.

Our sister church in Venezuela requests prayer:

- ◆ For a negotiated settlement in place of a possible second attack
- ◆ That the violence between pro-government groups and the opposition would be stemmed
- ◆ For what happens next to be resolved by the people of Venezuela and not international interests

We also pray:

- ◆ For any victims who may have died or been wounded and their families
- ◆ Regarding the implications of this political intervention by the USA for nations and peoples in the world, especially in Latin America.

We draw alongside the Venezuelan people during this time of uncertainty, call out to God for true peace and justice that bestows dignity on his people. May the love of Christ be our bridge, our hope, and our path to reconciliation.
