In Prayer:

*While the earth remains, seedtime and harvest,
cold and heat, summer and winter, day and night, shall not cease.*
Genesis 8:22 NIV

Dear Lord, thank you for the seasons we can count on, find routine in, and that will never cease while the earth remains. As we enter into autumn, when the cooler winds drift in and the days grow shorter, draw us closer to you. Let us feel your warm and loving presence. May we find comfort in your consistency when the world around us seems to be constantly changing. We are grateful you are with us in all circumstances and seasons. Amen.

UPCOMING EVENTS

EXODUS: A DOCUMENTARY Sunday, September 27th at 5pm

Exodus is a 2026 feature-length documentary filmed at the only migrant shelter in the border town of Agua Prieta, Mexico. Through first-hand testimonies of migrants and interviews with historians and journalists, the film exposes the violent realities of the War on Drugs in Mexico. It highlights the resilience of shelter workers and migrants while offering hope through community and collective action. We hope that you'll join us here at Zion for this special screening.
